RESPONSES TO QUERIES OF BIDDERS IN RELATION TO COAL BENEFICIATION TENDER NO. TSPL/7/CM/TSPL/2019-20/RO Dated 02nd Nov 2019							
S.No	Date of Query	Clause No.	Page No.	Heading	Tender Clause	Query of Vendor	TSPL Response
1	10-Nov-19	Clause No. 8	Page No. 6	Security Deposit/Performance Bank Guarantee		Security Deposit/SDBG/PBG all together shall be kept at maximum of Rs. 5 Crores irrespective of quantity allocation to contractor. Also it may be considered that in case additional SDBG/PBG is required by TSPL same may be withheld from Running Bills/due amount payables to contractor.	Bidder shall follow the tender terms and conditions
2	10-Nov-19	Clause No. 9	Page No. 7	Qualification Requirement: Point No. A: Beneficiation Plant Technology & Spare capacity.	Certificate from Chartered Engineer or Govt. Body or Self-declaration of: Technology, Total capacity of Washery, Proof of ownership & Spare capacity as per Annexure-V.	It may please be clarified that shall a bidder having a washery on long term financial lease of 10 years, on basis of existing lease agreement, be considered eligible for bid purpose. Shall a bidder be allowed to bid in consortium with another company.	May consider subject to submission of relevant documents/proofs. Please refer Volume II, Point no. 1.1.a & 1.1.i
4	10-Nov-19	Clause No. 9	Page No. 7	Qualification Requirement: Point No. B: Beneficiation Plant availability	Certificate from Chartered Engineer or Govt. Body; Environmental clearance, Valid Consent to Operate & Factory Licence.	Obtaining Certificate from Chartered Engineer/Govt body is not feasible. Hence submission of Environment clearance, Valid Consent to Operate and Factory license with notarized undertaking for spare capacity may please be considered, as the documents are sufficient to establish readiness and operation of washery.	Clarifications incorporated. Please refer revised tender document
6	10-Nov-19	Clause No. 9	Page No. 7	Point No. C :Experience	Certificate from reputed customers as per Annexure-VI.	May please be clarified Past experience of work comprising of beneficiation and transportation through road and rail mode shall be considered eligible. It would not be feasible to obtain the required certificate in prescribed format from each customers hence bidder having experience certificate from clients/end-users in their format or self attested copies of work order shall be considered.	Agreed
7	10-Nov-19	Point No 14	Page No. 26	The Contractor shall submit the E-Demand and Indent charges. It will be the responsibility of Contractor to place indent		E-Demand and Indent charges shall be on scope of TSPL.	Bidder shall follow the tender terms and conditions
8	10-Nov-19	Point No 21	Page No. 27	Rake shall be loaded on Train load basis. In case of Wagon load basis, the extra financial implication will be passed on to Contractor's account.		Effort shall be made to ensure that rake is allotted for loaded	Bidder shall follow the tender terms and conditions
9	10-Nov-19	Point No. 30	Page No. 27	In case of any change in FSA leading to change of coal allocation for TSPL/collieries/subsidiaries, TSPL may review the Contract as per grade, washability and washing facility of the Contractor in that particular region etc		In case of coal is allocated from mines other than MCL/quoted colliery of bidder, the rates/price bid should remain unchanged for contractor as per contractor's price bid.	Will be finalized after mutual consent
10	10-Nov-19	Clause No. 2	Page No. 28	Quantity	No Transit Loss will be considered	It is submitted that tolerance for transit loss of 0.8% shall be allowed as per standard practice.	Bidder shall follow the tender terms and conditions
11	10-Nov-19	Clause No. 3	Page No. 28	Quality	A. CIMFR shall do Joint Sampling, Analysis and Testing of Raw Coal loaded from Mines. Sample collection (TM sample & final sample) & preparation at the loading end as per relevant standard will be done by CIMFR as per Tripartite Agreement signed between CIL subsidiary, TSPL & CIMFR. In case CIMFR is not deployed, then Quality as declared by TPA deployed by TSPL will be considered as Quality delivered by MCL to the Bidder. Transportation of ROM Coal through RCR mode from MCL mines In case CIMFR sampling not done for any day, from a source for any reason, the weighted average of the most recent results available in any preceding month against respective Source and Grade shall be adopted for such dispatches for which samples were not collected. TSPL/MCL reserves the right to protest/ referee challenge the results declared by CIMFR for raw coal lifted by the contractor under this contract without any reference to the contractor. The referee results thus received shall be considered as final for all commercial purposes.	Contractor's representative shall be allowed to witness the sampling and analysis of Raw Coal at Mines	TSPL has no objection in witnessing the sampling and analysis process, but bidder will have to obtain necessary permission from MCL & CIMFR for the same
12	10-Nov-19	Point No. 3.3	Page No 31	Damages for deviation/Railway freight recovery due to High TM%		Since contractor will already be penalized with weight correction on account higher moisture hence imposing penalty for Railway freight will put additional burden on contractor. Hence for penalty of railway freight weight received at TSPL after considering tolerance for transit may be allowed.	Bidder shall follow the tender terms and conditions
13	10-Nov-19	Point No. 3.5	Page No 32	Damages for loss on Under-loading and Over-loading charges imposed by Railways for Coal rake		May please consider that damages for under loading shall be shared in ratio of 50:50 by TSPL & Contract.	Bidder shall follow the tender terms and conditions
